

SlidingTilesFunctionsHelpers.hpp

```
graph BT; A[SlidingTilesFunctions.cpp] --> B[SlidingTilesFunctionsHelpers.hpp]; C[SlidingTilesFunctionsHelpers.cpp] --> B;
```

The diagram illustrates a C++ project structure. At the top is a header file, `SlidingTilesFunctionsHelpers.hpp`, represented by a grey box. Below it are two source files: `SlidingTilesFunctions.cpp` on the left and `SlidingTilesFunctionsHelpers.cpp` on the right, both in white boxes. Two blue arrows point from the source files up to the header file, indicating that both source files include the header file.
